Wannabe

Yo, I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really
Really, really wanna zigzig ha

If you want my future, forget my past
If you wanna get with me, better make it fast
Now don't go wasting my precious time
Get your act together we could be just fine

I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really
Really, really wanna zigzig ha

Chorus:
If you wanna be my lover, you gotta get with my friends
Make it last forever, friendship never ends
If you wanna be my lover, you have got to give
Taking is too easy, but that's the way it is

What do you think about that now you know how I feel
Say, you can handle my love, are you for real
I won't be hasty, I'll give you a try
If you really bug me then I'll say goodbye

Yo I'll tell you what I want, what I really, really want
So tell me what you want, what you really, really want
I wanna, I wanna, I wanna, I wanna, I wanna really
Really, really wanna zigzig ha

(Chorus)

So, here's a story from A to Z, you wanna get with me
you gotta listen carefully
We got Em in the place who likes it in your face
You got G like MC who likes it on an
Easy V doesn't come for free, she's a real lady
And as for me you'll see
Slam your body down and wind it all around
Slam your body down and wind it all around

(Chorus)
If you wanna be my lover, you gotta, you gotta
You gotta, you gotta, you gotta, slam, slam, slam, slam
Slam your body down and wind it all around
Slam your body down and wind it all around
Slam your body down and wind it all around
Slam your body down zigazig ah
If you wanna be my lover

Say You'll Be There

Say you'll be there
I'm giving you everything, all that joy can bring
This I swear

Last time, that we had this conversation
I decided we should be friends
Yeah, but now we're going round in circles
Tell me will this deja vu never end?

Now you tell me that you've fallen in love
Well I never ever thought that would be
This time you gotta take it easy throwing far
Too much emotions at me

But any fool can see they're falling
I gotta make you understand

I'm giving you everything, all that joy can bring
This I swear
And all that I want from you, is a promise you will be there
Say you will be there
Won't you sing it with me

If you put two and two together you
Will see what our friendship is for
If you can't work this equation then
I guess I'll have to show you the door

There is no need to say you love me
It would be better left unsaid

I'm giving you everything, all that joy can bring
This I swear
And all that I want from you, is a promise you will be there
Yeah I want you

Any fool can see they're falling
Gotta make you understand

I'll give you everything on this I swear
Just promise you'll always be there

I'm giving you everything, all that joy can bring
This I swear
And all that I want from you, is a promise you will be there

I'm giving you everything, all that joy can bring
This I swear
And all that I want from you, is a promise you will be there

(Repeat to fade)

2 Become 1

Candle light and soul forever
A dream of you and me together
Say you believe it, say you believe it
Free your mind of doubt and danger
Be for real don't be a stranger
We can achieve it, we can achieve it
Come a little bit closer baby, get it on, get it on
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

Silly games that you were playing, empty
Words we both were saying
Let's work it out boy, let's work it out boy
Any deal that we endeavour
Boys and girls feel good together
Take it or leave it, take it or leave it

Are you as good as I remember baby
Get it on, get it on
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

Be a little bit wiser baby, put it on, put it on
'Cause tonight is the night when two become one

I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
I need some love like I never needed love before
(Wanna make love to ya baby)
I had a little love, now I'm back for more
(Wanna make love to ya baby)
Set your spirit free, it's the only way to be

It's the only way to be

Mama

She used to be my only enemy
And never let me be free
Catching me in places that I knew I shouldn't be
Every other day I crossed the line
I didn't mean to be so bad
I never thought you would
Become the friend I never had

Back then I didn't know why
Why you were misunderstood
So now I see through your eyes
All that you did was love

Mama I love you, mama I care
Mama I love you, mama my friend
You're my friend

I didn't want to hear it then but
I'm not ashamed to say it now
Every little thing you
Said and did was right for me
I had a lot of time to think about
About the way I used to be
Never had a sense of my responsibility

Back then I didn't know why
Why you were misunderstood
So now I see through your eyes
All that you did was love

Mama I love you, Mama I care
Mama I love you, Mama my friend
You're my friend, you're my friend

But now I'm sure I know why
Why you were misunderstood
So now I see through your eyes
All I can give you is love

Mama I love you, Mama I care
Mama I love you, Mama my friend

Mama I love you, Mama I care
Mama I love you, Mama my friend
You're my friend, you're my friend
Ooh-ooh, Mama my love

Mama I love you, Mama I care
Mama I love you, Mama my friend

(Repeat to fade)

Who Do You Think You Are

The race is on to get out of the bottom
The top is high so your roots are forgotten
Giving is good as long as you're getting
What's driving you it's ambition and betting

I said who do you think you are?
Some kind of superstar, you have got to

Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show me how good you are
Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show how good you are

You're swelling out in the wrong direction
You've got the bug, superstar you've been bitten
Your trumpet's blowing for far too long
Climbing the snake of the ladder, but you're wrong

I said who do you think you are?
Some kind of superstar, you have got to

Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show me how good you are
Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show how good you are

You have got to reach on up, never lose your soul
You have got to reach on up, never lose control

I said who do you think you are?
Some kind of superstar, you have got to

Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show me how good you are
Swing it, shake it, move it, make it
Who do you think you are?
Trust it, use it, prove it, groove it
Show how good you are

Swing it, shake it, move it, make it
trust it, use it, prove it, groove it

(Repeat to fade)

Move Over

Generation next, generation next (Ah, generation next)
Generation next, generation next (Generation)
Generation next, generation next (Generation yeah)
Generation next, generation next

Hold it down, feel the noise
Let 'em know it's a fight, pick it up it's alive
Hold it down, feel the noise
Let 'em know it's a fight, pick it up it's alive

Move over yeah, don't do it over
'Cause it's over yeah yeah yeah
Generation yeah

Next phase, next stage, next craze, next wave

Let me tell you 'bout a thing, gotta put it to the test
It's a celebration, motivation generation next
We're sowing the seed, every colour every creed
Teach never preach, listen up and and take heed

Take the heat, feel the flow
'Cause you're ready to burn and we're ready to go
Take the heat, feel the flow
'Cause you're ready to burn and we're ready to go

Move over yeah, don't do it over
'Cause it's over yeah yeah yeah
Generation yeah

Let me tell you 'bout a thing gotta put it to the test
It's a celebration, motivation generation next
You gotta know the rules if you wanna play the game
Respect and dedication never riding on a fame

Dedication, celebration, illumination, good vibration
Mel-o-vation, domination, baby nation, recreation
Imagination, crazy nation

Move over yeah, don't do it over
'Cause it's over yeah yeah yeah
Move over yeah, don't do it over
'Cause it's over yeah yeah yeah
Generation yeah

Generation next, generation next (Ah, generation next)
Generation next, generation next (Generation)
Generation next, generation next (Generation yeah)
Generation next, generation next

(Repeat chorus)

Too Much

Love is blind, as far as the eye can see
Deep and meaningless, words to me
Easy lover, I need a friend
Road to nowhere, twist and turns but will this never end

Well my dear you'll know that he pleases me
But short term solution ain't no resolution
There ain't no release for me

Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

Unwrap yourself from around my finger
Hold me too tight or left to linger
Something fine built to last
Slipped up there I guess we're running out of time too fast

Yes my dear you know he soothes me
There's no complication there's no explanation
It's just a groove in me

Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

What part of no don't you understand
Understand, understand
I want a man not a boy who thinks he can
Boy who thinks he can

Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied
Too much of nothing so why don't we give it a try
Too much of nothing we're gonna be living a lie

(Repeat to fade)

Stop

You just walk in, I make you smile
It's cool but you don't even know me
You take an inch, I run a mile
Can't win you're always right behind me

And we know that you could go and find some other
Take or leave it or just don't even bother
Caught in a craze, it's just a phase
Or will this be around forever

Don't you know it's going too fast
Racing so heard you know it won't last
Don't you know why can't you see
Slow it down, read the sign
So you know just where you're going

Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun
Do Do Do Do, Do Do Do Do
Do Do Do always be together
Ba da Ba Ba, Ba da Ba Ba
Ba da Ba stay that way forever

And we know that you can go and find some other
Take or leave it 'cause we've always got each other
You know who you are and yes, you're gonna breakdown
You've crossed the line so you're gonna have to turnaround

Don't you know it's going too fast
Racing so heard you know it won't last
Don't you know why can't you see
Slow it down, read the sign
So you know just where you're going

Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

Gotta keep it down honey, lay your back on the line
'Cause I don't care about the money
Don't be wasting my time
You need less speed, get off my case
You gotta slow it down baby, just get out of my face

Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

(Repeat chorus)

Viva Forever

Do you still remember, how we used to be
Feeling together, believing whatever
My love has said to me
Both of us were dreamers
Young love in the sun
Felt like my saviour, my spirit I gave you
We'd only just begun

Hasta mañana, always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Yes I still remember, every whispered word
The touch of your skin, giving life from within
Like a love song that I'd heard
Slippin' through our fingers, like the sands of time
Promises made, every memory saved
Has reflections in my mind

Hasta mañana, always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Back where I belong now, was it just a dream
Feelings unfold, they will never be sold
And the secret's safe with me

Hasta mañana, always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Let Love Lead The Way

What makes this world go round
Will the answer let her down
She is so sweet and young
And her life has just begun
What does her future hold
That's a story left unknown
Will she make it through her days
Let our love lead the way

Chorus:
Part of me laughs
Part of me cries
Part of me wants to question why
Why is there joy
Why is there pain
Why is there sunshine then the rain
One day you're here
Next you are gone
No matter what we must go on
Just keep the faith and
Let love lead the way
Everything will work out fine
If you let love
Love lead the way

Sitting there all alone
In the window of her room
Watching the world go by
Brings tears to her eyes
All she sees is hurt and pain
And she wants to break the chains
She'll keep pressing every day
And she'll find her own sweet way

(Chorus)

You can be all that
And still can be who you are
You've got to know for sure
That it isn't make believe
You may feel weak
But you are strong
Don't you give up girl
If you keep holding on
You'll never be wrong
Just close your eyes
'Cause it lies deep in your heart, yeah

(Chorus)
Love lead the way

Holler

Spice Girls
I wanna make you holler, imagine us together
Don't be afraid to play my game

Boy don't you hesitate, I won't keep waiting for you
To come and let me take, you to my fantasy room
You're gonna like it there, and all the things that I do
I'll treat you right, all through the night

We can do anything
I'll take you all the places you wanna be
I'll be your fantasy
Everything you want you will find in me
If you play my game, yeah

Chorus:
I wanna make you holler
And hear you scream my name
I'll give you rules to follow
So you can play my game
Imagine us together
Me driving you insane
You will give into me
Don't be afraid to play my game

So what you gonna do, now that I've got you with me
You've gotta show me boy, 'cause nothing comes for free
Start from the bottom and, work your way up slowly
Don't be afraid to play my game

We can go all night long
Doing things you thought you would never do
I won't tell anyone
What we do it's just for me and you
So come and play my game

(Chorus x2)

I wanna make you holler
I wanna make you holler ah ah ah holler
I wanna make you holler
I wanna make you holler ah ah ah holler

We can go all night long
Doing things you thought you would never do
(And I won't tell, no)
I won't tell anyone
'Cause everything is just between me and you
But you gotta play my game, yeah

(Chorus repeat to fade)

Headlines (Friendship Never Ends)

The time is now or never, to fit the missing piece
To take this on together, you make me feel complete
We fall into the future, and through the looking glass
The light shines over our heads, and so it comes to pass

To go beyond the surface, to reach into your soul
This love is not demanding, my heart has told me so
I hold onto my heroes, with faith enough to fly
The power to imagine, will keep this love alive

Let's make the headlines, loud and true
I wanna tell the world I'm giving it all to you
Let's make the headlines, loud and clear
The best things suddenly happen when you are here
And if I lost my way you'd carry me home
Take me all the way to heaven, never leave me alone
And it's just like everything matters when you are near

And it feels so good every bell's gonna ring
Your love is alive and it's making me sing
I could fly, wanna cry, want the whole world to know
We are together, come on baby let's go

And words yet to be spoken, will fall upon the page
Spelling out true devotion, is all we need to say

Let's make the headlines, loud and true
I wanna tell the world I'm giving it all to you
Let's make the headlines, loud and clear
The best things suddenly happen when you are here
And if I lost my way you'd carry me home
Take me all the way to heaven, never leave me alone
And it's just like everything matters when you are near

Let's make the headline, true this time
There's no hiding from this magical state of mind
And if I lost my way you'd carry me home
Take me all the way to heaven, never leave me alone
And it's just like everything matters when you are near

Let's make the headlines, loud and true
Let's make the headlines
'Cause I'm giving it all
Yeah I'm giving it all to you

Voodoo

Hey hey hey ey, hey hey hey ey
Hey hey hey ey party la

Look in the mirror, behind the make up
Like what you see, not foolin' me
I get the picture, you got perfection
Think You're a star, know what you are
Hey great pretender, time to break free
A kinda magic, lookin' at me
'Cause the fever's gonna get you yeah yeah

Got to be strong, believe in your power
Then you will see, now jus' trust in me
Everything changes, when you relate it
Get up and use it, positively
Shake up the dance floor, move like you mean it
Own your potential, reality
'Cause the fever's gonna get you yeah yeah

Chorus:
Get up and use your voodoo
You know you want it bad
You wanna lead the way yeah you do
Be the best you know you can
Get up and use your voodoo
Get your booty to the floor
You gatta line 'em up left, right don't stop
And leave 'em wanting more
Hey hey hey ey party la, hey hey hey ey party la

Shake up the dance floor, you got perfection
Get up and use it, positively
'Cause the fever's gonna get you yeah yeah

(Chorus)

Get up and use the voodoo, you know you can
Shake up the dance floor, you got perfection
Get up and use it, positively
'Cause the fever's gonna get you yeah yeah

Hey hey hey ey party la, hey hey hey ey party la
Hey hey hey ey party la, hey hey hey ey party la

You got to just lose yourself, let the magic get you hot
You got to express yourself, 'til you're burnin' on the spot
You got to just lose yourself, now the magic's calling you
You got to express yourself, now the voodoo's comin' through

(Chorus repeat to fade)

Goodbye

No no no no, no no no no
No no no no

Now listen little child, there will come a day
When you will be able, able to say
Never mind the pain, or the aggravation
You know there's a better way for you and me to be

Look for the rainbow in every storm
Fly like an angel, heaven sent to me

Chorus:
Goodbye my friend, I know you're gone
You said you're gone, but I can still feel you here
It's not the end, gotta keep it strong
Before the pain turns into fear
So glad we made it, time will never change it, no no
No no no no

Just a little girl, big imagination
Never letting no one take it away
Went into the world (into the world)
What a revelation
She found there's a better way
For you and me to be

Look for the rainbow in every storm
Find out for certain love's gonna be there for you
You'll always be someone's baby

(Chorus)
You know it's time to say goodbye

The times when we would play about
The way we used to scream and shout
We never dreamed you'd go your own sweet way
Look for the rainbow in every storm
Find out for certain, love's gonna be there for you
You'll always be someone's baby

Goodbye my friend, I know you're gone
You said you're gone, but I can still feel you here
It's not the end, gotta keep it strong
Before the pain turns into fear
So glad we made it
Time will never, never ever change it (No no no no)
You know it's time to say goodbye (No no no no)
And don't forget you can rely (No no no no)
You know it's time to say goodbye
And don't forget on me, you can rely (No no no no)
I will help, help you on your way
I will be with you everyday (No no no no)
I will be with you everyday
